PROFESSIONAL SUMMARY

Results-driven Web Developer, Data Analyst, and Graphic Designer with over 5 years of hands-on experience building responsive, high-performance websites, transforming raw data into actionable business insights, and crafting compelling brand identities. Proven track record of delivering full-stack web solutions and impactful design work through Techcore Innovations for clients across multiple industries. Currently pursuing a BSc in Computer Science at both the University of the People (California, USA) and Nnamdi Azikiwe University (UNIZIK), Awka, Nigeria. Passionate about technology education and committed to empowering the next generation of tech professionals.

WORK EXPERIENCE

Web Developer

2023 – Present

Techcore Innovations · Onitsha, Nigeria

- Build responsive, full-stack websites for businesses using HTML, CSS, JavaScript, Python, and Django.
- Delivered end-to-end web development for OCO Tech Nigeria Limited, KaiserloweUGO, and the Techcore Innovations agency website.
- Implemented both front-end interfaces and back-end systems including database management and API integration.

2022 – Present

Graphic Designer

Techcore Innovations · Onitsha, Nigeria

- Design logos, online advertisements, and physical marketing materials for companies and schools.
- Clients include Champion Creators Academy, OCO Tech Nigeria Limited, KaiserloweUGO, Elevance Africa, Gabby and Co. Ventures, ChocoWears, and Techcore Innovations.
- Deliver brand identity packages covering logo design, colour systems, typography, and print collateral.

2023 – Present

IT Coaching & Tutoring

Techcore Innovations & Freelance · Onitsha, Nigeria

- Partner with Techcore Innovations to deliver school-to-school IT training programmes across Anambra State.
- Served as a part-time Back-end Web Development Tutor at ICT Slides Onitsha, September – November 2024.
- Train beginners through advanced learners in web development, programming, and IT fundamentals.
